

## Semi-Private Meeting Rooms

### New this year to SupplySide West!

Oftentimes at a trade show, attendees and exhibitors are looking for a quick place to meet that is outside of a booth, but still close to the show floor. Up until now, we've only ever offered show floor meeting rooms, which are a required 2-day rental, or space on the third level of the convention center in a Mandalay Bay conference room. We realized the need for a third option, at an affordable price and a convenient location, which is why we built these semi-private meeting rooms for SupplySide West 2017!

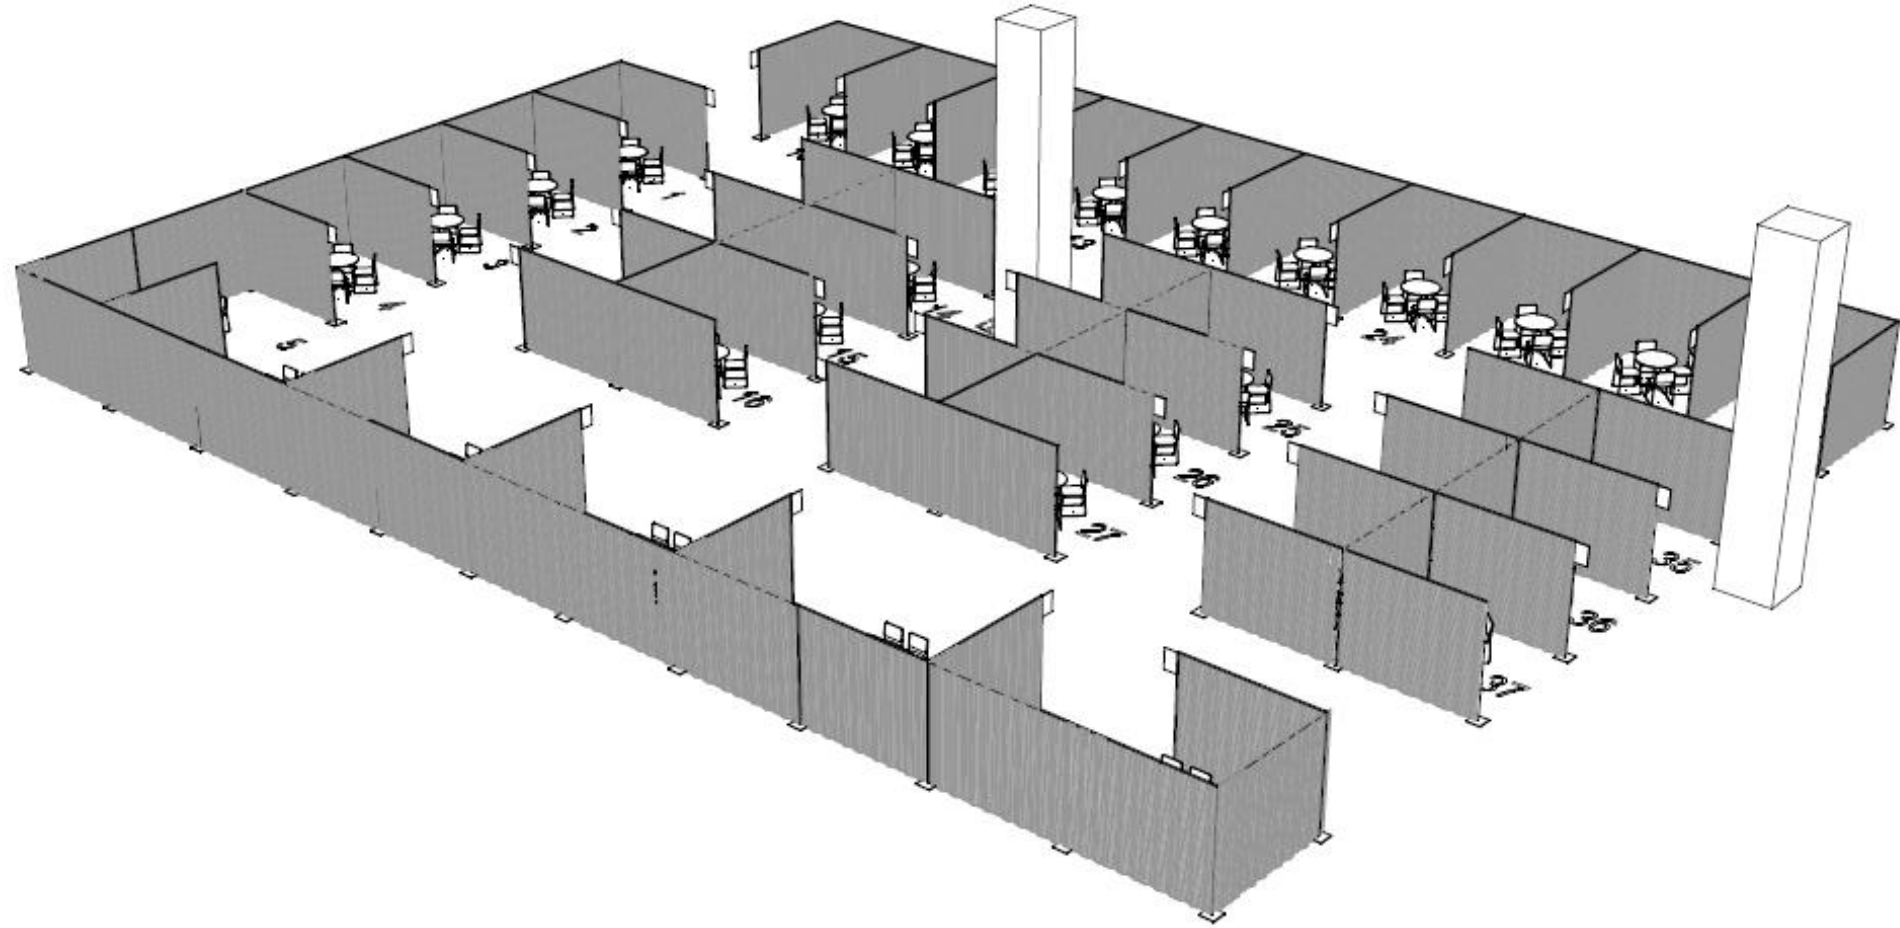

- Location: Bayside Hall B, just off the Bayside Foyer, next to the Registration Area
- Meeting Rooms are available for daily rental on Expo Hall Days (rooms can be purchased for 1 or 2 days)
  - September 27, 9am – 5:30pm
  - September 28, 9am – 5pm
- 38 total rooms available for rent:
  - 32 standard semi-private meeting rooms with 4 chairs and 1 table
  - 6 enhanced semi-private meeting rooms with 6 chairs and larger table
- Meeting Rooms are separated by pipe and drape
- Entire area will be carpeted
- Greeting Counter at the entrance will be staffed with an attendant who will direct visitors to the appropriate company's meeting space
- The area will feature a charging zone near greeter station where visitors can power up their devices
- Each meeting room will have a company name sign and room number for easy navigation
- A cash bar will be situated in the area fully stocked with an assortment of beverages
  - Each meeting room will be given drink tickets (8 tickets for standard room, 12 tickets for enhanced room) that can be used on water or soda at the cash bar
  - Any additional beverages (extra waters & soda, or juice, wine, beer, etc) can be purchased by the customer

*Meeting room space assignments will be determined by show management and are based on date of signed contract.*

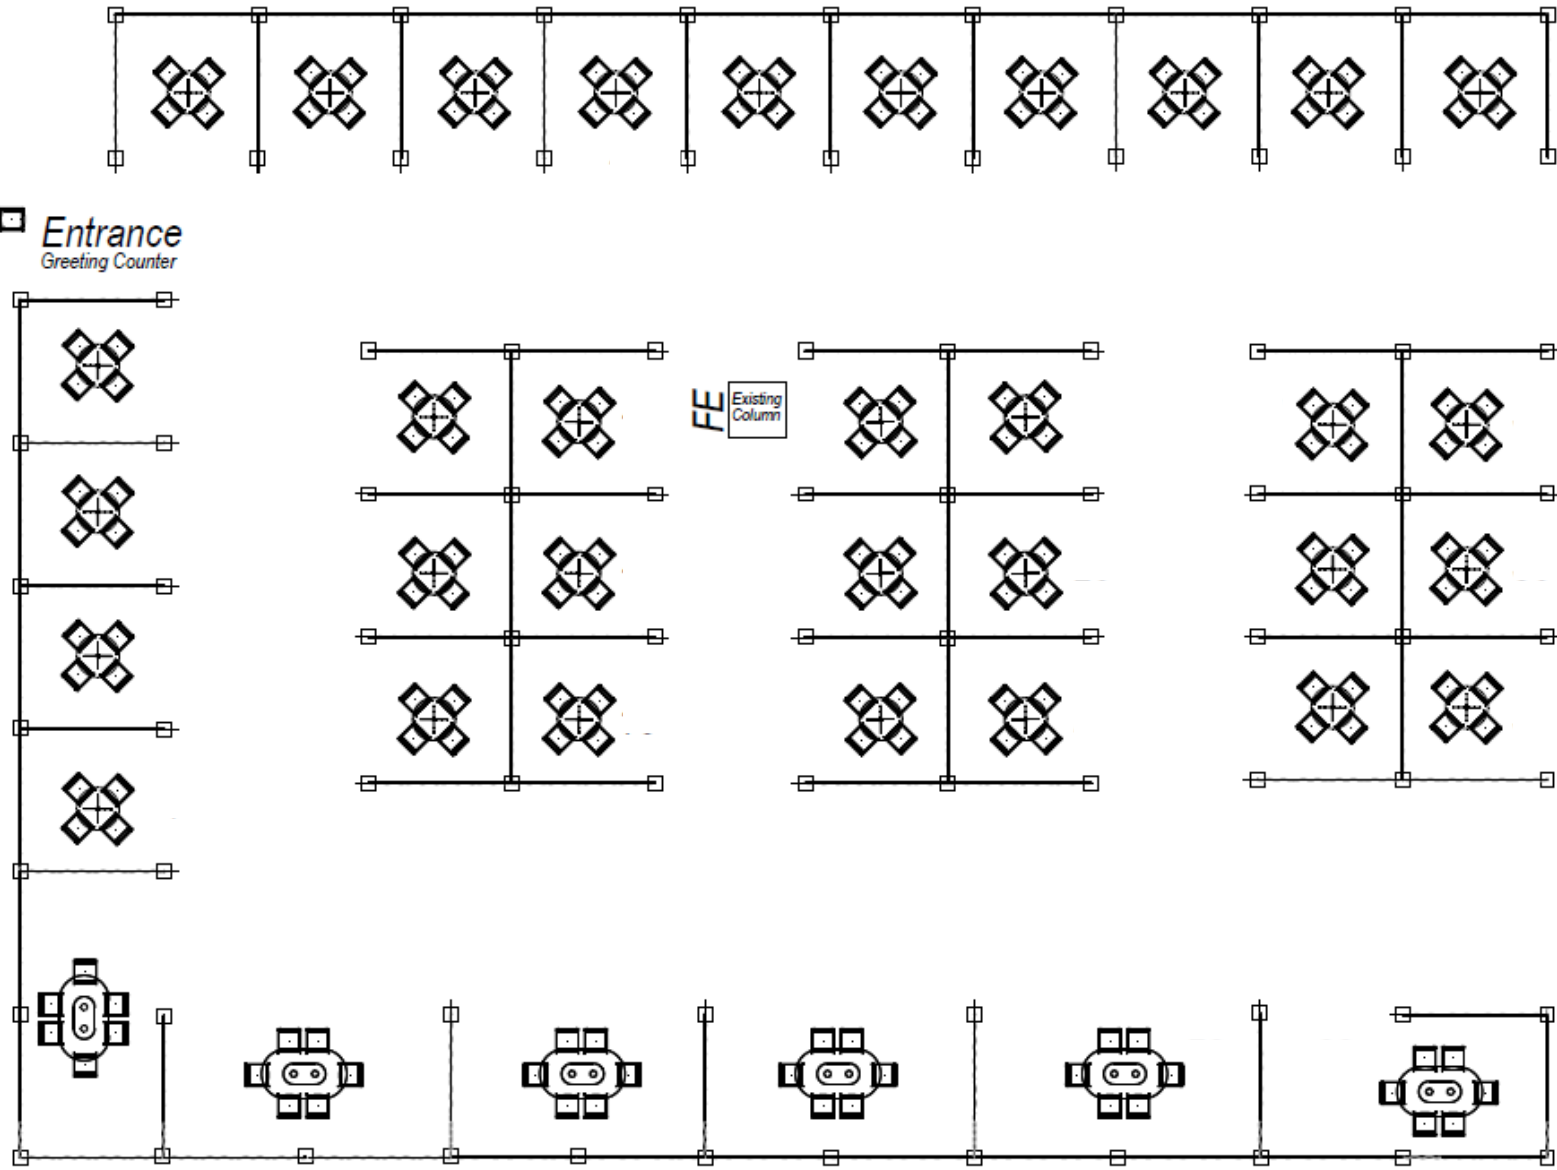

*Separate items, such as catering, custom furniture or electrical, can not be ordered with these semi-private meeting rooms.*

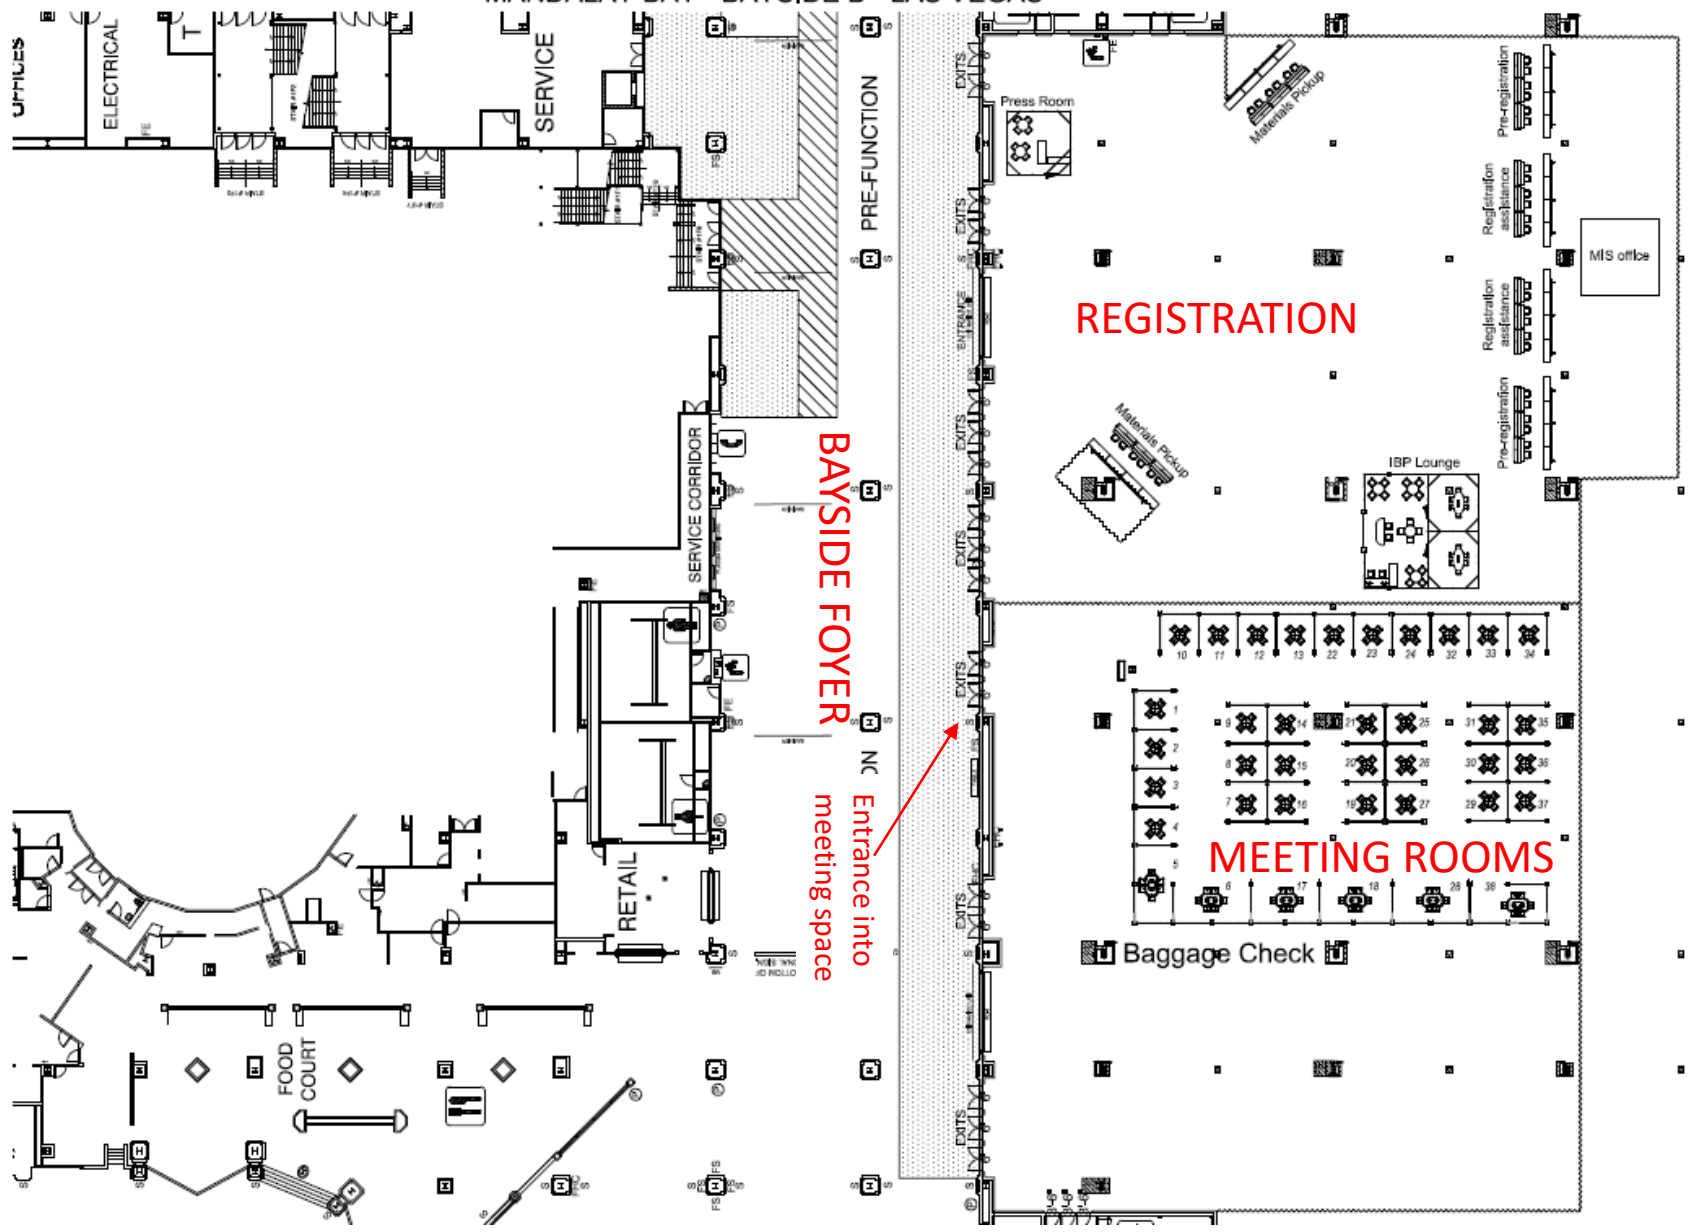

**32 standard (4 chair) meeting rooms: \$1,000 / day**
